Arborwell Opens New 23,000 Square Foot Operational Headquarters in Hayward California for Continued Growth and Expansion

Arborwell, a leading professional tree management company, announced the opening of their new headquarters located at 2337 American Avenue in Hayward, California. The new facility will serve as the company's headquarters and hub for Arborwell's East Bay field operations. The new facility is equipped with office space for executive and administrative staff, conference rooms as well as yard space to house 10 of its 25 service vehicles for the East Bay operations. The facility was customized to include a full mechanic shop and recycling center for wood waste.

The growing company has been recognized by the San Francisco Business times as one of the "Fast 100" four consecutive years in a row. An award which recognizes the fastest growing companies in the Bay Area. "The facility was really a perfect fit for Arborwell's expansion plan. We were able to build out the space to suit our operational needs and better serve our growing Bay Area customer base from a more central location," commented Peter Sortwell, President of Arborwell.

Arborwell operates from four Bay Area locations in Hayward, San Mateo, Sacramento, and San Jose. Clients include: commercial real estate and property management companies, corporations, landscape and general contractors, golf courses, municipalities and government agencies. Serving the Sacramento and San Francisco Bay Area, Arborwell provides tree relocation and transplanting, specification pruning, plant health care, tree and stump removal, tree inventories, appraisals, hazard assessments, and budgetary management plants. Arborwell offers enhanced service capabilities including 24 hour emergency service, an arsenal of cutting-edge equipment, and customer service representatives who are certified arborists with over 100 years combined experience.
