ARBORWELL PROFESSIONAL TREE MANAGEMENT RECOGNIZED ON INC. 5000 LIST
FOR SEVENTH CONSECUTIVE YEAR

Tree Care Company Ranked in Top 5000 Fastest-Growing Private Companies in America

Arborwell Professional Tree Management, California's leading commercial tree care company, has earned the position of #4073 on the 2013 Inc. 5000, Inc.'s annual ranking of the fastest-growing private companies in America. As an Inc. 5000 honoree for the seventh year in a row, Arborwell shares a prestigious pedigree with some of the most exciting, successful businesses in the country.

"This has been a very exciting year for our company, and I am honored to be recognized again by Inc.," says Peter Sortwell, CEO of Arborwell. "Our continued growth is a direct result of our incredible team and their dedication to providing their customers with the highest level of customer service."

The Inc. 5000 is ranked according to percentage revenue growth from 2009 through 2012. To qualify, companies must have been founded and generating revenue by the first week of 2009, and therefore able to show four full calendar years of sales. Additionally, they have to be U.S.-based, privately held, for profit, and independent -- not subsidiaries or divisions of other companies -- as of December 31, 2012.

Since the company's start in 2001, Arborwell has grown at a staggering rate. Between the years 2005 and 2008, Arborwell grew 78.9% and almost doubled in annual revenue. A combination between strategic marketing and relationship strengthening with existing customers has expanded the company's territory across Northern and Southern California. Arborwell opened a Tree Moving Division in 2012, an effort that has helped the company enter into a new piece of the tree care market. Arborwell continues to grow and develop new business in all seven of its operations locations statewide.
