Arborwell Celebrates San Francisco Business Times "100 Fastest Growing Private Company" Award For The Third Straight Year

Arborwell announced today that it has been named to the San Francisco Business Times list of the "100 Fastest Growing Companies" in the San Francisco Bay Area for the second year in a row. Arborwell ranked 69th on the list with a three year average growth of 82%.

San Francisco Business Times, a publication of American City Business Journals, Inc., ranked privately held companies in its '100 Fastest Growing Private Companies' competition. Each year the Business Times compiles a list of the companies based on their average revenue growth over a three-year period. The winners were honored at an awards ceremony held at the Westin St. Francis Hotel in San Francisco.

"This years competition had more participants than last year, and as our economy continues to grow it gets tougher to maintain our position as a fast 100 company", commented Peter Sortwell, President of Arborwell. "We are thrilled to be recognized for the second straight year, a feat that could not be accomplished without the dedication of my executive team and employees".

Arborwell operates from three locations in San Mateo, Sacramento, and Castro Valley. Clients include golf courses, property management companies, corporate and educational campuses, landscape and general contractors, municipalities, government agencies and residential.
